

## **INFRASTRUCTURE FACILITIES OF OUR COLLEGE**

We have a very good infrastructure and have provided everything as per the NCTE norms. The area of land on which the college occupies is one acre. The college infrastructure itself provides bushy green atmosphere clean and good ventilation, privilege of enjoying free air, proper and perfect sanitation, fire protection, a strong and stabilized building.

The college building consists of secretary room, principal room, class rooms, halls, Auditorium, Library, Language Lab, media Lab, Psychology Lab and separate labs for Bio-science, Physical science, Maths and History.

The laboratories are also maintained with sufficient and number of equipment's required as per norms. Thus the augmentation is kept pace with the academic growth. We have a very good computer lab with 24 computers and with internet facilities.

Well-equipped science lab, Psychology lab, Computer lab and Auditorium for cultural activities.

Playground and courts for both Indoor and outdoor games. As well as Audio visual facilities for events.

Our College has provided an Aqua Guard connection to provide purified drinking water to students. The entire premises are kept cleaned by sweeping and mopping regularly. First aid kit is provided in the college. Extinguishers are available in our college for emergency purpose.
